Important
All references to right an left hand side apply to the view of the machine when standing behind and facing the direction of travel.

Please note the following when ordering spare parts:
It should always be referred to serial number. This is found on the machine's identifiation plate.
The spare part's catalogue number and description should be used.
The reference number is used only to help identifying the spare part on the illustration.
The arrow on the illustration shows the direction of travel.

Viktig
Alle referanser til retningene høyre og venstre henviser til delens posisjon når en står bak maskinen og ser i fartsretningen.

Ved bestilling av deler må en merke seg følgende:
Oppgi alltid maskinens serie- og produksjonsnummer. Disse numrene finner en på identifikasjonsskiltet på maskinen.
